

IAR Update on the 2026 Legislative Session

2026 is a 'short' (non-budget) session for the Indiana General Assembly, but this doesn't mean fewer issues affecting homeowners, property taxpayers, real estate professionals and consumers considering buying or selling a home.

REALTORS® are pursuing a number of important policy priorities at the statehouse this year, and IAR's Government Affairs team is also always ready to play defense on proposals that would hurt the housing market (and your bottom lines).

IAR Senior Vice-President of Government Affairs Maggie McShane provides a report on key legislation:

- Promoting accessible and affordable housing by rolling back local regulations that add unnecessary costs and delays to new development – House Bill 1001 keeps up our push to address Indiana's housing shortage;
- Keeping Indiana ahead of the curve on consumer transparency in real estate by requiring straightforward disclosure of referral fees (House Bill 1252);
- Protecting Hoosiers (House Bill 1250) – requiring notification of local law enforcement when a violent offender is released into a community, a proposal motivated by a personal tragedy affecting our REALTOR® family; and
- Protecting homeowner property tax relief (passed last year in SEA1) and opposing any expansion of sales taxes to services.

The deadline for this year is **April 30, 2026**. Please download the application (when posted) and have your student complete and send the form back by the deadline. Students of family members of LPCAR are eligible for this scholarship so we encourage them to apply as soon as possible.

Member Benefit

FOREWARN®

FOREWARN is a revolutionary application that allows agents to have instant due diligence on prospects. In seconds, with as little information as a phone number or name, LPCAR members can verify a prospect's identity, criminal records, bankruptcies, liens, judgments, address history and property records (state laws vary) all in one place, leading to safer and more productive interactions.

This is not only critical for your personal safety and efficiency, but also a benefit to your listing homeowners, providing an added layer of protection for their homes and families through your vetting of prospective buyers. Welcome to the Annual La Porte County Association of REALTORS Food Drive! This endeavor is to help the local pantries replenish their supplies for the less fortunate. No one wants a child or anyone in our community to go to bed hungry.

We are requesting monetary donations for this year's drive. Any amount is appreciated. Every cent of your donation goes toward buying food and all contributions stay in our community.

We will once again partner with a local grocery store and will be able to purchase our food at a reduced rate. This simple act of kindness helps so many!

Donations are being accepted through May 2026! Please make all checks payable to "La Porte County Association of REALTORS." You may use our GoFundMe page too... ***(Please note the following if using GoFundMe link: It will ask a donor for a "tip" to offset costs. You may elect to bypass the tip by entering "0" as the percentage amount. This is an optional feature added by GoFundMe but not required).***

Please feel free to call anyone on our committee if you would like any additional information or if you would like someone to pick up your donation.

Thank you for your support and, as always, we are so grateful for each of you!
